

Welcome to a New Year And A New Assisted Living

At PINE VALLEY COMMUNITY VILLAGE...

We've done a complete make-over. We took a step back and looked closely at what the people in our community desired in the areas of long and short-term stays, rehabilitation, and therapy. The end result is a beautiful, warm, and exceptional place that anyone will truly love to call home—new and fully remodeled buildings in a tranquil country setting.

- ❖ Private rooms with private bathrooms and shower
